## Fun and Fellowship

DG Ian Jackson & his wife Barbara on their official visit to our club were made feel very welcome by our members (numbers were down due to many being overseas). DG Ian gave a very polished presentation using Power Point on Membership (when Ian was invited to join Rotary he was taken to a District Conference & this experience stirred in him to realise, that although he is only one person, he can make a difference in the world through Rotary). He spoke on the Rotary Foundation & its 100th Anniversary in April 2017 & the call for every one of the 1.2 million Rotarians worldwide to donate \$26-15 to the Foundation (this was the first ever Foundation donation 100 years ago). Ian's recipe for his year is to ENJOY ROTARY & have fun & fellowship. He also invited us to his conference in Laurieton in 2017.

District Governor Ian Jackson with our club President Gil Padarin-Innes
