Vocational Visit to CSU - (Charles Sturt University)

Another great night at CSU with 34 Rotarians & partners. Hosted by Philip Ebbs, Head of Paramedicine (Philip is pictured right with Alastair Moss & President Gil Padarin-Innes). We were shown the lecture facilities where the emphasis is on discovering knowledge for yourself. We then saw the Indigenous Meeting Room, then the library, the academics area (pictured right—Graham Wiggins & Frank Beukers having an intellectual debate.)

The evening concluded with a meal from Excess Foods & we sat around the courtyard in beautiful warm weather & had some good fellowship & tried to solve the problems of the world!!!!

Thanks to Philip Ebbs for a top night.

A Note from Diana Gammon - Public Speaking

On the 9th November we are pleased to be holding the Cluster Public Speaking final on behalf of Cluster 3. As members are aware, timing for public speaking must be very precise and in this instance there will be 5 speakers rather than the usual Club 2,3 or 4. We are therefore letting you know beforehand that the evening will probably go through until just before 8.00 p.m. We are expecting it to be a wonderful night where we are likely to be entertained by gifted students and of course, we expect to have visitors from the other local Clubs.

Let's help to make it special. - Diana Gammon - Youth Director

A gem from Laurie Orchard in the Laurieton Rotary Bulletin

Beautiful English;

I called an old school friend on the telephone and asked him what he was doing. He replied that he is working on "Aqua-thermal treatment of ceramics, aluminium and steel under a constrained environment".

I was impressed....

On further inquiring, I have learned that he was washing dishes, and pots, and pans, with hot water... under his wife's supervision.

GARAGE SALE

Report & Pictures from Diana Gammon—While we had very few visitors to our garage sale last week we sorted and sold a few of the books, as well as selling some items. There was good support by members and plenty of fellowship. On questioning the Council, the problem was evidently the same all around town. They thought the cause was lack of promotion and the rain. We had fun and a presence so thanks to the organisers.
